### **Forward Looking Statements**

This press release (and any oral statements regarding the subject matter of this press release) contains forward-looking statements intended to qualify for the "safe harbor" from liability established by the Private Securities Litigation Reform Act of 1995. Forward-looking statements include, but are not limited to, statements relating to Quanta's expectations regarding the declaration, amount or timing of any future dividends, as well as statements reflecting expectations, intentions, assumptions or beliefs about future events and other statements that do not relate strictly to historical or current facts. Although Quanta's management believes that the expectations reflected in such forward-looking statements are reasonable, it can give no assurance that such expectations will prove to be correct. These statements can be affected by inaccurate assumptions and by a variety of risks and uncertainties that are difficult to predict or beyond our control, including, among others, variations in Quanta's financial condition, results of operations, profitability, cash flows and liquidity; current and expected capital requirements and reinvestment opportunities; requirements under Delaware law and the credit agreement for Quanta's senior secured credit facility relating to dividends; the impact of income tax laws; market conditions; the

effects of industry, economic or political conditions outside of the control of Quanta; and other risks and uncertainties detailed in Quanta's Annual Report on Form 10-K for the year ended Dec. 31, 2018, Quanta's Quarterly Report on Form 10-Q for the quarter ended Mar. 31, 2019 and any other documents that Quanta files with the Securities and Exchange Commission (SEC). For a discussion of these risks, uncertainties and assumptions, investors are urged to refer to Quanta's documents filed with the SEC that are available through the company's website at [www.quantaservices.com](http://www.quantaservices.com) or through the SEC's Electronic Data Gathering and Analysis Retrieval System (EDGAR) at [www.sec.gov](http://www.sec.gov). Should one or more of these risks materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those expressed or implied in any forward-looking statements. Investors are cautioned not to place undue reliance on these forward-looking statements, which are current only as of this date. Quanta does not undertake and expressly disclaims any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Quanta further expressly disclaims any written or oral statements made by any third party regarding the subject matter of this press release.
