Quanta Services Announces Second Quarter 2026 Earnings Release & Webcast Schedule

HOUSTON, July 10, 2026 /PRNewswire/ -- Quanta Services, Inc. (NYSE: PWR) announced today that it will release its second quarter 2026 financial results on Thursday, July 30, 2026, before the market opens. In conjunction with the press release, Quanta has scheduled a webcast and conference call for 9:00 a.m. Eastern time on Thursday, July 30, 2026.

Earnings Call Format and Supplemental Materials
Shortly following the issuance of its second quarter 2026 earnings release, Quanta will post its supplemental earnings materials on the Investor Relations section of the Quanta website (http://investors.quantaservices.com), including the Second Quarter 2026 Operational and Financial Commentary, which will provide operational and financial information, as well as industry and end-market commentary. While management intends to make brief introductory remarks during the earnings webcast, the Operational and Financial Commentary is intended to largely replace management's prepared remarks, allowing additional time for questions from the institutional investment community.

What:	Quanta Services Second Quarter 2026 Earnings Webcast
When:	Thursday, July 30, 2026 – 9:00 a.m. Eastern time
How:	This event will be facilitated through web-based audio using a Zoom Webinar. To register for and access the event, please log in to the webinar through the Investor Relations section of Quanta's website (http://investors.quantaservices.com). Once registered, if you prefer to access the call by phone, dial-in details will be provided on the event access page on the day of the call. When prompted, please enter the Participant ID to join the call.

For those who cannot participate live, an archive of the webcast will be available shortly after the call on the Investor Relations section of Quanta's website (http://investors.quantaservices.com). For more information, please contact Kip Rupp or Sean Eastman at Quanta Services at (713) 629-7600.
