# Quanta Services to Present at the Jeffries 2011 Global Clean Technology Conference

HOUSTON, Feb. 15, 2011 /PRNewswire/ -- Quanta Services, Inc. (NYSE: PWR) today announced that company executives will present at the Jeffries 2011 Global Clean Technology Conference to be held Feb. 23-24, 2011 in New York City. James F. O'Neil, president and chief operating officer, and James H. Haddox, chief financial officer, will present on Thurs., Feb. 24, 2011, starting at 10:00 a.m. Eastern time.

Quanta's presentation for the Jeffries 2011 Global Clean Technology Conference will be broadcast live over the Internet. Live webcast links will be available on the company's website at www.quantaservices.com and will also be archived for replay on the website.

Quanta Services is a leading specialized contracting services company, delivering infrastructure solutions for the electric power, natural gas and pipeline and telecommunication industries. The company's comprehensive services include designing, installing, repairing and maintaining network infrastructure nationwide. Additionally, Quanta licenses point-to-point fiber optic telecommunications infrastructure in select markets and offers related design, procurement, construction and maintenance services. With operations throughout North America, Quanta has the manpower, resources and expertise to complete projects that are local, regional, national or international in scope.
