QUANTA SETS MAY 23, 2002 ANNUAL MEETING

WILL MAIL DEFINITIVE PROXY MATERIALS

HOUSTON - APRIL 15, 2002 - Quanta Services, Inc. (NYSE: PWR), a leading provider of specialized contracting services to the electric power, gas, telecommunications and cable television industries, today announced that it has filed a definitive proxy statement with the Securities and Exchange Commission and has set its annual meeting for Thursday, May 23, 2002. The meeting will be held at 9:00 local time at the Houston St. Regis Hotel.

Quanta will mail its definitive proxy statement this week. The mailing will include a white proxy card which stockholders will be asked to sign and in support of Quanta's current Board of Directors. Stockholders of record as of the close of business on Monday, April 29, 2002 will be eligible to vote at the meeting. At the meeting, Aquila, Inc. (NYSE: ILA) is seeking to remove all of Quanta's existing Directors and replace them with its nominees in order to facilitate the consolidation of Quanta's earnings into Aquila's financial statements.

John R. Colson, Quanta's chief executive officer, said, "It is important that all stockholders exercise their right to vote at this critical annual meeting. We encourage them to sign and return the white proxy cards as soon as they receive them."

Colson continued, "Contrary to what Aquila has said in order to meet its own objectives, Quanta is performing well, delivering strong financial and operational results relative to its peers and has excellent long-term growth prospects. In 2001, Quanta generated record revenues of \$2.01 billion and record cash flow from operations of \$210 million, alongside stronger EPS performance and better EBIT and EBITDA margins than its competitors.

Members of Quanta's Board continue to make significant contributions to Quanta's business and two of the Company's Directors were responsible for almost 35% of Quanta's 2001 revenues. Investors should note that seven of Aquila's nominees do not own any Quanta stock and six are executives of Aquila or an entity it controls."

Colson concluded, "As Aquila has said in the past, its nominees to Quanta's Board are pledged to serve Aquila's interests if elected. Quanta's Board will continue to vigorously oppose Aquila's efforts to take control of Quanta to fulfill its own accounting imperatives, without providing appropriate benefits or protections to our other stockholders."
