STOCK PURCHASE AGREEMENT

THIS STOCK PURCHASE AGREEMENT ("Agreement") is dated the 26th day of February, 2003, and entered into by and between Aquila, Inc., a Delaware corporation ("Seller"), and Sanders Morris Harris Inc., a Texas corporation ("Buyer").

WHEREAS, Seller desires to sell 11,596,579 shares (the "Shares") of Common Stock, par value \$0.00001 per share ("Common Stock"), of Quanta Services, Inc., a Delaware corporation (the "Corporation"), and Buyer is willing to purchase such Shares of Common Stock from Seller, for the consideration and on the terms and conditions set forth in this Agreement;

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreements made herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, represent, warrant and agree as follows:

1. Sale and Purchase of Stock.

1.1 Sale of Shares of Common Stock. At the Closing (as hereinafter defined) to be held on the Closing Date (as hereinafter defined) Seller shall sell, assign and transfer to Buyer and Buyer shall purchase from Seller an aggregate of 11,596,579 Shares of Common Stock, for the purchase price of 2.95 per share (less a commission of \$0.05 per share), for an aggregate purchase price of \$34,209,908.05 (less commissions of \$579,828.95).

1.2 Purchase Price; Transfer of Shares.

(a) At the Closing, Buyer will pay to the Seller the aggregate purchase price indicated above by wire transfer of funds to the Seller's account designated in writing by Seller to Buyer.

(b) At the Closing, Seller shall deliver to Buyer, by electronic wire transfer to Buyer's account designated in writing by Buyer to Seller, the Shares of Common Stock sold pursuant to this Agreement as indicated above, together with fully executed stock powers effecting the transfer of the Shares to the Buyer.

2. Closing Date. The closing of the purchase and sale of the Common Stock provided for in this Agreement (the "Closing") shall take place on the date that Seller delivers the Shares to Buyer as provided in this Agreement;

provided, however, that such delivery shall take place no later than February 28, 2003, or on such other date or at such other time or place as the parties may mutually agree (such date is herein called the "Closing Date").

3. Seller's Representations and Warranties. Seller represents and warrants to Buyer that:

(a) Seller is the sole record and beneficial owner of the Shares of Common Stock to be sold to Buyer as set forth in Section 1.1 of this Agreement. Seller acquired the Shares prior to January 1, 2001. Seller is not a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with the Corporation. Since the date that Seller acquired the Shares, it has not held a short position in, or any put or other option to dispose of, any shares of Common Stock of the Corporation. Upon the delivery of and payment for such Shares as herein contemplated, Buyer will receive good, valid and marketable title to the Shares purchased by Buyer from Seller, free and clear of all liens, encumbrances, claims, charges, security interests, other restrictions on transfer, voting trusts or other voting agreements, or stockholders agreements.

5

(b) Seller has full legal right, power, authority and capacity to sell the Shares to Buyer and to execute, deliver and perform this Agreement and the transactions contemplated hereby. This Agreement constitutes the legal, valid and binding obligations of the Seller, enforceable against Seller in accordance with its terms, except to the extent that the enforcement hereof may be limited by (i) bankruptcy, insolvency, reorganization, moratorium, receivership, conservatorship, readjustment of debts, fraudulent conveyance or other similar laws now or hereafter in effect affecting the enforcement of creditors' rights generally, and (ii) general principles of equity regardless of whether enforceability is considered in a proceeding in equity or at law.

4. Buyer's Representations and Warranties. Buyer represents and warrants to Seller that:

(a) Buyer has the full legal right, power, authority and capacity to execute, deliver and perform this Agreement and the transactions contemplated hereby. This Agreement has been duly executed and delivered by Buyer and constitutes a legal, valid and binding obligation of Buyer and is enforceable against Buyer in accordance with its terms, except to the extent that the enforcement hereof may be limited by (i) bankruptcy, insolvency, reorganization, moratorium, receivership, conservatorship, readjustment of debts, fraudulent conveyance or other similar laws now or hereafter in effect affecting the enforcement of creditors' rights generally, and (ii) general principles of equity regardless of whether enforceability is considered in a proceeding in equity or at law.

(b) Buyer is acquiring the Shares in a private transaction directly from the Seller for its own account. Buyer shall not resell the Shares except in a transaction that satisfies the requirements of Rule 144 promulgated under the Securities Act of 1933, as amended (the "Securities Act"), including without limitation, Rule 144(k), or is otherwise exempt from the registration requirements of the Securities Act. The Buyer is not a person that, directly or indirectly, through one or more intermediaries, controls, or is controlled by, or is under common control with, the Corporation.

(c) Buyer qualifies as an "accredited investor," as such term is defined in Rule 501(a) of Regulation D under the Securities Act of 1933.

(d) Buyer has reasonable access to, and has had sufficient opportunity to carefully review and analyze, all material information about the Corporation's business, financial condition, operations and value that Buyer believes to be relevant to its purchase of the Shares. Buyer is sophisticated and experienced in evaluating the merits and risks involving an investment in the Corporation's securities and the particulars of the purchase of the Shares. Buyer has the ability to bear the economic risks of its purchase of the Shares and has been able to obtain all information required in making an informed decision regarding its investment.

5. Conditions Precedent to Buyer's Obligations. Each and every obligation of Buyer to be performed on the Closing Date shall be subject to the representations and warranties of Seller contained in this Agreement being true and correct on and as of the time of the Closing with the same effect as though such representations and warranties had been made or given on and as of the time of the Closing.

6. Conditions Precedent to Seller's Obligations. Each and every obligation of Seller to be performed on the Closing Date shall be subject to the

representations and warranties of Buyer contained in this Agreement being true and correct on and as of the time of the Closing with the same effect as though such representations and warranties had been made or given on and as of the time of the Closing.

7. Miscellaneous. This Agreement shall not be assigned by any party without the prior written consent of each of the other parties. This Agreement and all of its provisions and conditions are for the sole and exclusive benefit of the parties to this Agreement and their successors and assigns. This

6

Agreement may not be amended except by a written agreement executed by the party to be charged with the amendment. This Agreement embodies the entire agreement between the parties hereto with respect to the transactions contemplated herein and supersedes all prior agreements between the parties with respect to its subject matter. This Agreement shall be governed by the law of the State of Missouri, without regard to conflict of law principles thereunder. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute but one and the same instrument. This Agreement may be executed by facsimile signature.

8. Reliance by Counsel. Buyer acknowledges that legal counsel to Seller may be required to provide an opinion of counsel to the effect that the Shares may be transferred to Buyer in reliance upon an exemption from the registration requirements of Section 5 of the Securities Act. Buyer hereby consents to such counsel's reliance upon the Buyer's representations and warranties contained herein in connection with the preparation of such opinion.

9. Further Assurances. Seller and Buyer agree to execute and deliver from time to time at the reasonable request of the other party and without further consideration such additional instruments of conveyance and transfer, and to take such other actions as such party may reasonably require, more effectively to convey, assign, transfer and deliver the Shares to Buyer and to carry out the other transactions contemplated herein.
