**Item 4. Description of Securities.**

Not applicable.

**Item 5. Interests of Named Experts and Counsel.**

Not applicable.

**Item 6. Indemnification of Directors and Officers.**

Section 145(a) of the Delaware General Corporation Law (the DGCL) provides that, a Delaware

corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suitor proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no cause to believe his or her conduct was unlawful.

Section 145(b) of the DGCL provides that a Delaware corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above, against expenses actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if he or she acted under similar standards to those set forth above, except that no indemnification may be made with respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine that despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to be indemnified for such expenses which the court shall deem proper.

Section 145 of the DGCL further provides that, to the extent a director or officer of a corporation has been successful in the defense of any action, suit or proceeding referred to in subsection (a) and (b) or in the defense of any claim, issue or matter therein, he shall be indemnified against expenses actually and reasonably incurred by him in connection therewith; that indemnification provided for by Section 145 of the DGCL shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; and that the corporation may purchase and maintain insurance on behalf of a director or officer of the corporation against any liability asserted against such officer or director and incurred by him or her in any such capacity or arising out of his or her status as such, whether or not the corporation would have the power to indemnify him or her against such liabilities under Section 145 of the DGCL.

Article Tenth of the registrant's Restated Certificate of Incorporation and Article Seven of the registrant's Amended and Restated Bylaws contain provisions for indemnification of directors and officers and for the advancements of expenses to any director or officer to the fullest extent permitted by Delaware law. Additionally, Article Eleventh of the registrant's Restated Certificate of Incorporation provides that no director shall be liable to the registrant or its stockholders for monetary damages for breach of fiduciary duty as a director to the fullest extent permitted by Delaware law.

Article Seven of the registrant's Amended and Restated Bylaws permits the registrant to purchase insurance for directors and officers against liability for expenses, judgments or settlements, whether or not the registrant would have the power to indemnify such persons against such liabilities. The registrant has director and officer insurance in place for its directors and officers.

In addition, the registrant has entered into Indemnity Agreements with its directors and executive officers. The form of Indemnity Agreement entered into with each director and officer was previously filed with the SEC as Exhibit 10.1 to the registrant's Current Report on Form 8-K filed on May 31, 2005. The registrant's board of directors may from time to time authorize Quanta to enter into additional indemnity agreements with other of its future directors and officers utilizing the same form of Indemnity Agreement.

The Indemnity Agreements generally provide that the registrant will, to the extent permitted by applicable law, indemnify and hold harmless each indemnitee that is, or is threatened to be made, a party to any civil, criminal or administrative proceeding against all expenses, judgments, fines, penalties and amounts paid in settlement actually and reasonably incurred by the indemnitee in connection with any such proceeding. The Indemnity Agreements provide the indemnitee with indemnification rights in connection with third-party proceedings and proceedings brought by or in the right of the registrant. In addition, the Indemnity Agreements provide for the advancement of expenses incurred by the indemnitee in connection with any covered proceeding to the fullest extent permitted by applicable law. The Indemnity Agreements also provide that if the indemnification rights provided for therein are unavailable for any reason, the registrant will pay, in the first

## [Table of Contents](#)

instance, the entire amount incurred by the indemnitee in connection with any covered proceeding and waives and relinquishes any right of contribution it may have against the indemnitee.

The rights provided by the Indemnity Agreements are in addition to any other rights to indemnification or advancement of expenses to which the indemnitee may be entitled under applicable law, the registrant's Restated Certificate of Incorporation or Amended and Restated Bylaws, or otherwise.

The above description of the Indemnity Agreements is subject to, and is qualified in its entirety by reference to, all the provisions of the form of Indemnity Agreement, previously filed as Exhibit 10.1 to the registrant's Current Report on Form 8-K filed on May 31, 2005.

### **Item 9. Undertakings**

A. The undersigned registrant hereby undertakes: (1) to file, during any period in which offers or sales are being made pursuant to this registration statement, a post-effective amendment to this registration statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act; (ii) to reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which is registered) and any deviation from the low or high end of the estimated maximum range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in "Calculation of Registration Fee" table in the effective registration statement; (iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement; provided, however, that paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by

reference in this registration statement; (2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under "Item 6—Indemnification of Directors and Officers", or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Houston, and the State of Texas, on June 20, 2007.

Ladies and Gentlemen:

We have acted as counsel to Quanta Services, Inc., a Delaware corporation (the "Company"), in connection with the preparation and filing by the Company with the Securities and Exchange Commission of a Registration Statement on Form S-8 (the "Registration Statement") under the Securities Act of 1933, as amended (the "Securities Act"), with respect to the registration under the Securities Act of the offering and sale of an aggregate of 4,000,000 shares of the Company's Common Stock, \$0.00001 par value (the "Shares"), to be issued pursuant to the Company's 2007 Stock Incentive Plan (the "Plan").

With respect to the foregoing, we have examined and have relied upon originals or copies, certified or otherwise identified to our satisfaction, of such corporate records, documents, orders, certificates and other instruments as in our judgment are necessary or appropriate to enable us to render the opinion expressed below, including the Company's Registration Statement filed in connection with the registration of the Shares. Based upon the foregoing, we are of the opinion that the Shares that from time to time may be issued under the Plan, in accordance with appropriate proceedings of the board of directors of the Company or a committee thereof pursuant to the terms of the Plan, when so issued and sold at prices in excess of the par value of the Shares in accordance with the provisions of the Plan and related agreements entered into by the Company, will be duly and validly authorized and issued by the Company and fully paid and nonassessable.

The opinions expressed herein are limited in all respects to the federal laws of the United States of America and the General Corporation Law of the State of Delaware (including the applicable provisions of the Delaware Constitution and reported judicial decisions interpreting that law) as in effect on the date hereof, and no opinion is expressed with respect to the laws of any other jurisdiction or any effect that such laws may have on the

This opinion is limited to the matters stated herein, and no opinion is implied or may be inferred beyond the matters expressly stated herein. We assume no obligation to update or supplement this opinion letter to reflect any facts or circumstances that arise after the date of this opinion letter and come to our attention, or any future changes in law.
