Item 1.01 Entry into a Material Definitive Agreement.

On September 23, 2021 (the “Closing Date”), Quanta Services, Inc. (the “Company”) issued \$500,000,000 aggregate principal amount of its 0.950% Senior Notes due 2024 (the “2024 Notes”), \$500,000,000 aggregate principal amount of its 2.350% Senior Notes due 2032 (the “2032 Notes”) and \$500,000,000 aggregate principal amount of its 3.050% Senior Notes due 2041 (the “2041 Notes” and, together with the 2024 Notes and the 2032 Notes, the “Notes”). The Notes were sold pursuant to an underwriting agreement, dated as of September 9, 2021 (the “Underwriting Agreement”), by and among the Company and BofA Securities, Inc. and Wells Fargo Securities, LLC, as representatives of the several underwriters named in Schedule A to the Underwriting Agreement, as previously reported on the Company’s Current Report on Form 8-K filed on September 10, 2021.

The 2024 Notes were issued under the indenture, dated as of September 22, 2020 (the “Base Indenture”), as supplemented and amended by the second supplemental indenture, dated as of September 23, 2021 (the “Second Supplemental Indenture”), the 2032 Notes were issued under the Base Indenture as supplemented and amended by the third supplemental indenture, dated as of September 23, 2021 (the “Third Supplemental Indenture”), and the 2041 Notes were issued under the Base Indenture as supplemented and amended by the fourth supplemental indenture, dated as of September 23, 2021 (the “Fourth Supplemental Indenture”, and together with the Base Indenture, Second Supplemental Indenture and Third Supplemental Indenture, the “Indenture”), in each case, between the Company, as issuer, and U.S. Bank National Association, as trustee (the “Trustee”). Interest on the 2024 Notes will accrue at a rate of 0.950% per annum and is payable semi-annually, in arrears, on April 1 and October 1 of each year, commencing April 1, 2022. The 2024 Notes will mature on October 1, 2024, unless earlier redeemed. Interest on the 2032 Notes will accrue at a rate of 2.350% per annum and is payable semi-annually, in arrears, on January 15 and July 15 of each year, commencing July 15, 2022. The 2032 Notes will mature on January 15, 2032, unless earlier redeemed. Interest on the 2041 Notes will accrue at a rate of 3.050% per annum and is payable semi-annually, in arrears, on April 1 and October 1 of each year, commencing April 1, 2022. The 2041 Notes will mature on October 1, 2041, unless earlier redeemed.

The Notes are the Company’s senior unsecured obligations and rank equally in right of payment with the Company’s existing and future senior unsecured indebtedness. The Notes are effectively junior to the Company’s existing and future secured indebtedness to the extent of the value of the assets securing such indebtedness. The Notes are not guaranteed by any of the Company’s subsidiaries and are therefore structurally subordinated to all of the existing and future indebtedness and other liabilities of the Company’s subsidiaries, including trade payables.

Prior to October 1, 2022, the 2024 Notes will be redeemable, at the Company’s option, at any time in whole, or from time to time in part, at a price equal to the greater of 100% of the principal amount of such 2024 Notes to be redeemed and the sum of the present values of the Remaining Scheduled Payments (as defined in the Indenture) on the 2024 Notes redeemed that would be due if the 2024 Notes matured on October 1, 2022, discounted to the redemption date on a semiannual basis at the Treasury Rate (as defined in the Indenture) plus 10 basis points, plus, in either case, accrued and unpaid interest, if any, to (but excluding) the redemption date. Commencing on October 1, 2022, the Company may redeem the 2024 Notes, in whole, or from time to time in part, at the Company’s option, at any time, at a redemption price equal to 100% of the principal amount of the 2024 Notes being redeemed plus accrued and unpaid interest, if any, to (but excluding) the redemption date. Prior to October 15, 2031 (three months prior to their maturity date), the 2032 Notes will be redeemable, at the Company’s option, at any time in whole, or from time to time in part, at a price equal to the greater of 100% of the principal amount of such 2032 Notes to be redeemed and the sum of the present values of the Remaining Scheduled Payments on the 2032 Notes redeemed that would be due if the 2032 Notes matured on October 15, 2031, discounted to the redemption date on a semiannual basis at the Treasury Rate plus 20 basis points, plus, in either case, accrued and unpaid interest, if any, to (but excluding) the redemption date. Commencing on October 15, 2031 (three months prior to their maturity date), the Company may redeem the 2032 Notes, in whole, or from time to time in part, at the Company’s option, at any time, at a redemption price equal to 100% of the principal amount of the 2032 Notes being redeemed plus accrued and unpaid interest, if any, to (but excluding) the redemption date. Prior to April 1, 2041 (six months prior to their maturity date), the 2041 Notes will be redeemable, at the Company’s option, at any time in whole, or from time to time in part, at a price equal to the greater of 100% of the principal amount of such 2041 Notes to be redeemed and the sum of the present values of the Remaining Scheduled Payments on the 2041 Notes redeemed that would be due if the 2041 Notes matured on April 1, 2041, discounted to the redemption date on a semiannual basis at the Treasury Rate plus 20 basis points, plus, in either case, accrued and unpaid interest, if any, to (but excluding) the redemption date.

date. Commencing on April 1, 2041 (six months prior to their maturity date), the Company may redeem the 2041 Notes, in whole, or from time to time in part, at the Company's option, at any time, at a redemption price equal to 100% of the principal amount of the 2041 Notes being redeemed plus accrued and unpaid interest, if any, to (but excluding) the redemption date.

Upon the occurrence of a Change of Control Triggering Event (as defined in the Indenture), unless the Company has exercised its right to redeem the Notes in full by giving irrevocable notice to the Trustee in accordance with the Indenture, each holder of the Notes will have the right to require the Company to purchase all or a portion (equal to \$2,000 or whole multiples of \$1,000 in excess thereof) of such holder's Notes at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to (but excluding) the date of purchase.

In the event that (x) the Blattner Acquisition (as defined in the Indenture) is not consummated on or prior to June 30, 2022 or (y) the Merger Agreement (as defined in the Indenture) is terminated without the Blattner Acquisition being consummated, the Company will be required to redeem all of the outstanding 2024 Notes, 2032 Notes and 2041 Notes at a redemption price equal to 101% of the aggregate principal amount of the 2024 Notes, 2032 Notes and 2041 Notes, respectively, then outstanding, plus accrued and unpaid interest, if any, to, but excluding, the redemption date.

The Indenture contains covenants that, among other things, limit the Company's ability to incur liens securing certain indebtedness, to engage in certain sale and leaseback transactions with respect to certain properties and to sell all or substantially all of the Company's assets or merge or consolidate with or into other companies. The Indenture also contains customary events of default.

The foregoing description of the Indenture and the Notes does not purport to be complete and is qualified in its entirety by reference to the full text of the Base Indenture, the Second Supplemental Indenture, the Third Supplemental Indenture, the Fourth Supplemental Indenture, the form of 2024 Note, the form of 2032 Note and the form of 2041 Note, copies of which are filed as Exhibits 4.1, 4.2, 4.3, 4.4, 4.5, 4.6 and 4.7, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

ARTICLE I

CERTAIN PROVISIONS OF GENERAL APPLICATION

SECTION 1.01 Definitions.

For all purposes of the Indenture and this Second Supplemental Indenture, except as otherwise expressly provided or unless the context otherwise requires:

- (1) the terms defined in this Article I have the meanings assigned to them in this Article I;

(2) the words “herein,” “hereof” and “hereunder” and other words of similar import refer to the Indenture and this Second Supplemental Indenture as a whole and not to any particular Article, Section or other subdivision; and

(3) capitalized terms used but not defined herein are used as they are defined in the Indenture.

“Blattner Acquisition” means the merger of Quanta Merger Sub, LLC with and into Blattner Holding Company with Blattner Holding Company surviving the merger as the Company’s wholly-owned subsidiary pursuant to the Merger Agreement.

“Captive Insurance Subsidiary” means any Subsidiary of the Company that is subject to regulation as an insurance company (or any Subsidiary thereof).

“Change of Control” means the occurrence of any of the following after the date of issuance of the Notes:

2. the consummation of any transaction the result of which is that a “person” or “group” (as those terms are used in Section 13(d)(3) of the Exchange Act, but excluding any employee benefit plan of such person or its subsidiaries, and any person or entity acting in its capacity as trustee, agent or other fiduciary or administrator of any such plan) becomes the ultimate “beneficial owner” (as defined in Rule 13d-3 under the Exchange Act) of more than 50% of the total voting power of the Voting Stock of the Company on a fully diluted basis;

Notwithstanding the foregoing, a transaction will not be deemed to involve a Change of Control solely because the Company shall become a direct or indirect wholly-owned subsidiary of a holding company or other Person if the direct or indirect holders of the Voting Stock of such holding company or other Person immediately following that transaction are substantially the same as the holders of the Company’s Voting Stock immediately prior to that transaction.

SECTION 1.07 Amendments Applicable Only to Notes

The amendments contained in this Second Supplemental Indenture shall apply to the Notes only and not to any other series of Debt Securities issued under the Indenture, and any covenants provided herein are expressly being included solely for the benefit of the Notes and not for the benefit of any other series of Debt Securities issued under the Indenture. These amendments shall be effective for so long as there remain any Notes Outstanding.

THIS SECOND SUPPLEMENTAL INDENTURE AND THE NOTES SHALL BE DEEMED TO BE A CONTRACT MADE UNDER THE LAWS OF THE STATE OF NEW YORK AND THIS SECOND SUPPLEMENTAL INDENTURE AND EACH SUCH NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

ARTICLE II

THE NOTES

SECTION 2.01 Title and Terms.

There are hereby created under the Indenture a series of Debt Securities known and designated as the "0.950% Senior Notes due 2024" of the Company. The aggregate principal amount of Notes that may be authenticated and delivered under this Second Supplemental Indenture is initially limited to \$500,000,000, except for Notes authenticated and delivered upon reregistration of, transfer of, or in exchange for, or in lieu of, other Notes pursuant to Sections 2.07, 2.08, 2.09 or 9.04 of the Indenture.

The Company may without notice to or the consent of the Holders of the Notes, issue in separate offerings additional notes having the same ranking, interest rate, maturity and other terms as the Notes (other than the date of issuance and, under certain circumstances, the first interest payment date following the issue date of such additional notes). Any such additional notes, together with the Notes, will form a single series of Debt Securities under the Indenture.

The Stated Maturity shall be October 1, 2024 for payment of principal of the Notes. The Notes shall bear interest at the rate of 0.950% per annum, from September 23, 2021 or the most recent interest payment date to which interest has been paid or duly provided for, payable semi-annually in arrears on April 1 and October 1 of each year (commencing April 1, 2022), to the Persons in whose names the Notes are registered at the close of business on March 15 or September 15, as the case may be, next preceding such interest payment date, until principal thereof is paid or made available for payment.

The Notes shall be initially issued in the form of one or more Global Securities and the depositary for the Notes shall be The Depository Trust Company, New York, New York.

The Notes shall not be subject to any sinking fund.

The Notes shall be in registered form without coupons and shall be issuable in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The form of the Notes attached hereto as Exhibit A is hereby adopted, pursuant to Section 9.01(j) of the Indenture, as the form of Debt Securities that consist of the Notes.

SECTION 2.02 Optional Redemption.

(a) The provisions of Article III of the Indenture, as amended by the provisions of this Second Supplemental Indenture, shall apply to the Notes.

(b) The Notes are subject to redemption upon notice mailed or sent at least 10 days but not more than 60 days prior to the redemption date to each Registered Holder. On or after October 1, 2022 (the "Par Call Date"), the Notes will be redeemable, as a whole or from time to time in part, at the option of the Company at any time, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, thereon to (but excluding) the date of the redemption. Prior to the Par Call Date, the Notes may be redeemed, at any time as a whole or from time to time in part, at the option of the Company, at a redemption price equal to the greater of:

(i) 100% of the principal amount of the Notes to be redeemed; and

(ii) the sum of the present values of the Remaining Scheduled Payments thereon that would be due if the Notes matured on the Par Call Date, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 10 basis points,

plus, in either case, accrued and unpaid interest, if any, on the principal amount being redeemed to (but excluding) the date of redemption.

If the Company redeems less than all the Notes, the Trustee shall select the Notes to be redeemed, in the case of the Notes in the form of a Global Security, in accordance with the Depository's Applicable Procedures, and in the case of any Notes in definitive form, by such method as the Trustee shall select, in such manner as in its sole discretion it shall deem appropriate and fair. The Trustee may select for partial redemption Notes and portions of Notes in amounts equal to \$2,000 or any integral multiple of \$1,000 in excess thereof.

Unless the Company defaults in payment of the redemption price, on and after the applicable redemption date, interest will cease to accrue on the Notes or portions thereof called for redemption.

SECTION 2.03 Purchase upon a Change of Control Triggering Event.

(a) Upon the occurrence of a Change of Control Triggering Event, unless the Company has exercised its right to redeem the Notes in full by giving irrevocable notice to the Trustee in accordance with the Indenture, each Holder of the Notes will have the right to require the Company to purchase all or a portion (equal to \$2,000 or whole multiples of \$1,000 in excess thereof) of such Holder's Notes pursuant to the offer described below (the "Change of Control Offer") at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to (but excluding) the date of purchase (the "Change of Control Payment"), subject to the rights of Holders of the Notes on the relevant record date to receive interest due on the relevant interest payment date. If the Change of Control Payment Date (as defined below) falls on a day that is not a Business Day, the related payment of the Change of Control Payment will be made on the next Business Day as if it were made on the date such payment was due, and no interest will accrue on the amounts so payable for the period from and after such date to the next Business Day.

(b) Unless the Company has exercised its right to redeem such Notes, within 30 days following the date upon which the Change of Control Triggering Event occurred or, at the Company's option, prior to any Change of Control but after the public announcement of the pending Change of Control, the Company will be required to send, by first class mail (or with respect to any Global Security, to the extent permitted or required by the Depository's Applicable Procedures, send electronically) a notice to each Holder of such Notes, with a copy to the Trustee, which notice will govern the terms of the Change of Control Offer. The notice will state, among other things, the purchase date, which, other than as may be required by applicable law, must be no earlier than 10 days nor later than 60 days after the date the notice is mailed or sent (or, in the case of a notice mailed or sent prior to the date of consummation of a Change of Control, no earlier than the date of the occurrence of the Change of Control), other than as may be required by law (the "Change of Control Payment Date"). The notice, if mailed or sent prior to the date of consummation of the Change of Control, will state that the Change of Control Offer is conditioned on the Change of Control being consummated on or prior to the Change of Control Payment Date.

(c) On the Change of Control Payment Date, the Company will, to the extent lawful:

(i) accept or cause a third party to accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(ii) deposit or cause a third party to deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate or statement signed by an Officer of the Company, which need not constitute an Officers' Certificate, stating the aggregate principal amount of Notes or portions of Notes being purchased.

(d) The Company will not be required to make a Change of Control Offer with respect to the Notes if (i) a third party makes such an offer in the manner, at the times and otherwise in compliance with

the requirements for such an offer made by the Company and such third party purchases all the Notes properly tendered and not withdrawn under its offer, (ii) a notice of redemption has been given to the Holders of all of the Notes in accordance with the terms of the Indenture, unless and until there is a default in payment of the redemption price, or (iii) in connection with or in contemplation of any Change of Control, the Company has made an offer to purchase (an “Alternate Offer”) any and all Notes validly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Notes properly tendered in accordance with the terms of such Alternate Offer.

(e) The Company will comply in all material respects with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the purchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of the Notes or the Indenture, the Company will comply with those securities laws and regulations and will not be deemed to have breached its obligations under this Section 2.03 by virtue of any such conflict.

SECTION 2.04 Limitation on Liens.

Except as provided below, the Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or permit to exist any indebtedness for borrowed money (“Indebtedness”) secured by a Lien on any Principal Property or any shares of stock of or any Indebtedness of any Restricted Subsidiary, whether owned on the date of issuance of the Notes or thereafter acquired, unless the Company substantially contemporaneously secures the Notes equally and ratably with (or prior to) such Indebtedness until such time as such Indebtedness is no longer secured by a Lien on any Principal Property or any shares of stock of or any Indebtedness of any Restricted Subsidiary, except that the foregoing restrictions shall not apply to Indebtedness secured by:

1. Liens on any property, shares of stock or Indebtedness of any Person existing at the time such Person becomes a Restricted Subsidiary;

10. Any extension, renewal or replacement (or successive extensions, renewals or replacements) in whole or in part of any Liens referred to in clauses (1) through (9) above; *provided, however*, that the principal amount of Indebtedness so secured shall not exceed the principal amount of Indebtedness so secured at the time of such extension, renewal or replacement or, if greater, the committed amount of Indebtedness originally secured by such Liens (plus, in each case, the aggregate amount of premiums, other payments, costs and expenses related to any refinancing, refunding, extension, renewal or replacement of such Indebtedness)

In the event that (x) the Blattner Acquisition is not consummated on or prior to June 30, 2022 or (y) the Merger Agreement is terminated without the Blattner Acquisition being consummated (any such event being a “Special Mandatory Redemption Event”), the Company shall redeem all of the Notes then Outstanding (the “Special Mandatory Redemption”), at a price equal to 101% of the aggregate principal amount of the Notes then Outstanding, plus accrued and unpaid interest thereon, if any, to (but excluding) the redemption date (the “Special Mandatory Redemption Price”). For purposes of the foregoing, the Blattner Acquisition will be deemed consummated if the closing under the Merger Agreement occurs, including after giving effect to any amendments to the Merger Agreement or waivers thereunder acceptable to the Company.

Notice of the occurrence of a Special Mandatory Redemption Event and that a Special Mandatory Redemption is to occur (the “Special Mandatory Redemption Notice”) shall be delivered to the Trustee and delivered to Holders of Notes according to the procedures of the Depository within 10 Business Days after the Special Mandatory Redemption Event. Upon the consummation of the Blattner Acquisition, this Section 2.06 shall cease to apply.

ARTICLE III

EVENTS OF DEFAULT

SECTION 3.01 Events of Default. Article VI of the Indenture is hereby amended, subject to Section 1.07 hereof and with respect to the Notes only, by deleting Section 6.01 of the Indenture and replacing such Section 6.01 with the following:

If any one or more of the following shall have occurred and be continuing with respect to the Notes (each of the following, an “Event of Default”):

(a) default in the payment of any installment of interest upon the Notes as and when the same shall become due and payable, and continuance of such default for a period of 30 days;

(b) default in the payment of the principal of or premium, if any, on the Notes as and when the same shall become due and payable, whether at maturity, upon redemption, by declaration, upon required purchase or otherwise;

(c) default in the payment of any sinking fund payment with respect to the Notes as and when the same shall become due and payable and continuance of such default for a period of 30 days;

(d) failure on the part of the Company to comply with any of the covenants or agreements on the part of the Company in this Second Supplemental Indenture and the Indenture for the benefit of the Notes (other than a covenant a default in the performance of which is otherwise specifically dealt with), continuing for a period of 90 days after the date on which written notice specifying such failure and requiring the Company to remedy the same shall have been given, by registered or certified mail or overnight courier guaranteeing next day delivery, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Notes at the time Outstanding;

(e) indebtedness for money borrowed of the Company or any Restricted Subsidiary of the Company is not paid within any applicable grace period after final maturity or is accelerated prior to its stated final maturity by the holders thereof because of a default, the total principal amount of such indebtedness unpaid or accelerated exceeds \$150.0 million or the United States dollar equivalent thereof at the time and such default remains uncured or such acceleration is not rescinded or annulled for 30 days after the date on which written notice specifying such failure and requiring the Company to remedy the same has been given, by registered or certified mail or by overnight courier guaranteeing next day delivery, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Notes at the time Outstanding;

(f) the Company or any of its Restricted Subsidiaries shall (i) voluntarily commence any proceeding or file any petition seeking relief under Title 11 of the United States Code or any other Federal or State bankruptcy, insolvency or similar law, (ii) consent to the institution of, or fail to controvert within the time and in the manner prescribed by law, any such proceeding or the filing of any such petition, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator or similar official for the Company or any such Restricted Subsidiary or for a substantial part of its property, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors, (vi) admit in writing its inability or fail generally to pay its debts as they become due or (vii) take any comparable action under any foreign laws relating to insolvency; and

(g) the entry of an order or decree by a court having competent jurisdiction for (i) relief in respect of the Company or any of its Restricted Subsidiaries or a substantial part of any of their property under Title 11 of the United States Code or any other Federal or State bankruptcy, insolvency or similar law, (ii) the appointment of a receiver, trustee, custodian, sequestrator or similar official for the Company or for any such Restricted Subsidiary or for a substantial part of its property or any of their property (except any decree or order appointing such official of such Restricted Subsidiary pursuant to a plan under which the assets and operations of such Restricted Subsidiary are transferred to or combined with another one or more other Restricted Subsidiaries or Subsidiaries or to or with the Company) or (iii) the winding-up or liquidation of the Company or any such Restricted Subsidiary (except any decree or order approving or ordering the winding-up or liquidation of the affairs of a Restricted Subsidiary pursuant to a plan under which the assets and operations of such Restricted Subsidiary are transferred to or combined with one or more other Restricted Subsidiaries or Subsidiaries or to or with the Company), and such order or decree continues unstayed and in effect for 90 consecutive days, or any similar relief is granted under any foreign laws and the order or decree stays in effect for 90 consecutive days;

then and in each and every case that an Event of Default described in clause (a), (b), (c), (d) or (e) with respect to Notes at the time Outstanding occurs and is continuing, unless the principal of and interest on all the Notes shall have already become due and payable, either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by Holders), may declare the principal of and interest on all the Notes to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Second Supplemental Indenture, the Indenture or in the Notes contained to the contrary notwithstanding. If an Event of Default described in clause (f) or (g) occurs, then and in each and every such case, unless the principal of and interest on all Notes shall have become due and payable, the principal of and interest on all the Notes then Outstanding hereunder shall IPSO FACTO become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders, anything in this Second Supplemental Indenture, the Indenture or in the Notes contained to the contrary notwithstanding.

The Holders of a majority in principal amount of the Notes by notice to the Trustee may rescind an acceleration (including acceleration as specified in clause (e) and (f)) and its consequences if the rescission would not conflict with any judgment or decree already rendered and if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of acceleration and the Company has paid the Trustee its compensation and all sums paid or advanced by the Trustee hereunder and the reasonable and documented out-of-pocket compensation, expenses, disbursements and advances of the Trustee, its agents and counsel. Upon any such rescission, the parties hereto shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the parties hereto shall continue as though no proceeding had been taken. In case the Trustee or any Holder shall have proceeded to enforce any right under this Second Supplemental Indenture or the Indenture for the benefit of the Notes and such proceedings shall have been discontinued or abandoned because of such rescission or annulment or for any other reason or shall have been determined adversely to the Trustee or such Holder, then and in every such case the parties hereto shall be restored respectively to their several positions and rights hereunder and all rights, remedies and powers of the parties hereto shall continue as though no such proceeding had been taken.

The foregoing Events of Default shall constitute Events of Default whatever the reason for any such Event of Default and whether is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

[REVERSE OF GLOBAL NOTE]

This Debt Security is one of a duly authorized issue of securities of the Issuer (herein called the “Debt Securities”), issued and to be issued in one or more series under an Indenture, dated as of September 22, 2020 (the “Base Indenture”) as supplemented by the Second Supplemental Indenture, dated as of September 23, 2021 (the “Second Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), between the Issuer and U.S. Bank National Association, as trustee (herein called the “Trustee”), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Trustee and the Registered Holders of the Debt Securities and of the terms upon which the Debt Securities are, and are to be, authenticated and delivered. This Debt Security is one of the series designated on the face hereof.

This Debt Security is subject to redemption upon notice mailed or sent at least 10 days but not more than 60 days prior to the redemption date to each Registered Holder. On or after October 1, 2022 (the “Par Call Date”), this Debt Security will be redeemable, as a whole or from time to time in part, at the option of the Issuer at any time, at a redemption price equal to 100% of the principal amount to be redeemed, plus accrued and unpaid interest, if any, thereon to (but excluding) the date of the redemption. Prior to the Par Call Date, this Debt Security may be redeemed, at any time as a whole or from time to time in part, at the option of the Issuer, at a redemption price equal to the greater of (a) 100% of the principal amount to be redeemed and (b) the sum of the present values of the Remaining Scheduled Payments (as defined in the Second Supplemental Indenture) thereon that would be due if the Debt Security matured on the Par Call Date, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 10 basis points, plus, in either case, accrued and unpaid interest, if any, on the principal amount being redeemed to (but excluding) the date of redemption. Unless the Issuer defaults in payment of the redemption price, on and after the applicable redemption date, interest will cease to accrue on the Debt Securities or portions thereof called for redemption.

In the event that (x) the Blattner Acquisition is not consummated on or prior to June 30, 2022 or (y) the Merger Agreement is terminated without the Blattner Acquisition being consummated (any such event being a “Special Mandatory Redemption Event”), the Company shall redeem all of this Debt Security, at a price equal to 101% of the aggregate principal amount thereof then Outstanding, plus accrued and unpaid interest thereon, if any, to (but excluding) the redemption date. For purposes of the foregoing, the Blattner Acquisition will be deemed consummated if the closing under the Merger Agreement occurs, including after giving effect to any amendments to the Merger Agreement or waivers thereunder acceptable to the Company. Such redemption shall be in accordance with Section 2.06 of the Second Supplemental Indenture.

Upon the occurrence of a Change of Control Triggering Event with respect to this Debt Security, unless the Issuer has exercised its right to redeem this Debt Security in full as set forth in Section 2.03 of the Second Supplemental Indenture, by giving irrevocable notice to the Trustee in accordance with the Indenture, each Holder of this Debt Security will have the right to require the Issuer to purchase all or a portion (equal to \$2,000 or whole multiples of \$1,000 in excess thereof) of such Holder’s Debt Security pursuant to a Change of Control Offer, at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to (but excluding) the date of purchase (the “Change of Control Payment”), subject to the rights of Holders of this Debt Security on the relevant record date to receive interest due on the relevant interest payment date.

Unless the Issuer has exercised its right to redeem this Debt Security, within 30 days following the date upon which the Change of Control Triggering Event occurred with respect to this Debt Security or, at the Issuer’s option, prior to any Change of Control but after the public announcement of the pending

Change of Control, the Issuer will be required to send by first class mail or, to the extent permitted or required by the Depository's Applicable Procedures, send electronically, a notice to each Holder of this Debt Security, with a copy to the Trustee, which notice will govern the terms of the Change of Control Offer. The notice will state, among other things, the purchase date, which, other than as may be required by applicable law, must be no earlier than 10 days nor later than 60 days after the date the notice is mailed or sent (or, in the case of a notice mailed or sent prior to the date of consummation of a Change of Control, no earlier than the date of the occurrence of the Change of Control), other than as may be required by law (the "Change of Control Payment Date"). The notice, if mailed or sent prior to the date of consummation of the Change of Control, will state that the Change of Control Offer is conditioned on the Change of Control being consummated on or prior to the Change of Control Payment Date.

On the Change of Control Payment Date, the Issuer will, to the extent lawful:

- (i) accept or cause a third party to accept for payment all Debt Securities of this series or portions of Debt Securities of this series properly tendered pursuant to the Change of Control Offer;
- (ii) deposit or cause a third party to deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Debt Securities of this series or portions of Debt Securities of this series properly tendered; and
- (iii) deliver or cause to be delivered to the Trustee the Debt Securities of this series properly accepted together with an Officers' Certificate or statement signed by an Officer of the Company, which need not constitute an Officers' Certificate, stating the aggregate principal amount of Debt Securities of this series or portions of Debt Securities of this series being purchased.

The Issuer will not be required to make a Change of Control Offer with respect to this Debt Security if (x) a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for such an offer made by the Issuer and such third party purchases all the Debt Securities of this series properly tendered and not withdrawn under its offer, (y) a notice of redemption has been given to the Holders of all of the Debt Securities of this series in accordance with the terms of the Indenture, unless and until there is a default in payment of the redemption price, or (z) in connection with or in contemplation of any Change of Control, the Issuer has made an offer to purchase (an "Alternate Offer") any and all Debt Securities of this series validly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Debt Securities of this series properly tendered in accordance with the terms of such Alternate Offer.

The Issuer will comply in all material respects with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the purchase of this Debt Security as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of this Debt Security or the Indenture, the Issuer will comply with those securities laws and regulations and will not be deemed to have breached its obligations under Section 2.03 of the Second Supplemental Indenture by virtue of any such conflict.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Debt Security or certain restrictive covenants and Events of Default with respect to this Debt Security, in each case upon compliance with certain conditions set forth in the Indenture. Such provisions shall be applicable to this Debt Security.

If an Event of Default with respect to this Debt Security shall occur and be continuing, the principal of and interest on this Debt Security may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, without notice to any Holder but with the consent of Holders of not less than a majority in aggregate principal amount of the Outstanding Debt Securities of each series affected by such supplemental indenture, the Issuer and the Trustee at any time to enter into an indenture or supplemental indenture for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture or of modifying in any manner the rights of the Holders of the Debt Securities of such series. The Indenture also permits, with certain exceptions as therein provided, prior to the acceleration of the maturity of the Debt Securities of any series, the Holders of specified percentages in aggregate principal amount of the Debt Securities of that series at the time Outstanding may on behalf of the Holders of all the Debt Securities of that series waive any past Default or Event of Default and its consequences for that series specified in the terms thereof. Any such consent or waiver by the Holder of this Debt Security shall be conclusive and binding upon such Holder and upon all future Holders of this Debt Security and of any Debt Security issued upon the registration of transfer hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Debt Security.

As provided in and subject to the provisions of the Indenture, the Holder of this Debt Security shall not have the right to institute any action or proceeding at law or in equity or in bankruptcy or otherwise, upon or under or with respect to the Indenture, or for the appointment of a receiver or trustee, or for any other remedy thereunder, unless such Holder previously shall have given to the Trustee written notice of an Event of Default with respect to the Debt Securities of this series and of the continuance thereof and unless the Holders of not less than 25% in aggregate principal amount of the Outstanding Debt Securities of this series shall have made written request upon the Trustee to institute such action or proceedings in respect of such Event of Default in its own name as Trustee thereunder and shall have offered to the Trustee such security or indemnity as it may require against the costs, expenses and liabilities to be Incurred therein or thereby, and the Trustee, for 60 days after its receipt of such notice, request and offer of security or indemnity shall have failed to institute any such action or proceedings and no direction inconsistent with such written request shall have been given to the Trustee by the Holders of a majority in aggregate principal amount of the Debt Securities of this series at the time Outstanding. The foregoing shall not apply to any suit instituted by the Holder of this Debt Security for the enforcement of any payment of principal hereof or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Debt Security or of the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of and interest on this Debt Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Debt Security is registrable in the Debt Security Register, upon surrender of this Debt Security for registration of transfer at the office or agency of the Issuer in any Place of Payment, duly endorsed or accompanied by a written instrument or instruments of transfer, in form satisfactory to the Issuer, the Trustee and the Registrar duly executed by the Registered Holder or the Registered Holder's attorney duly authorized in writing, and thereupon the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Debt Security or Debt Securities of authorized denominations for a like aggregate principal amount.

The Debt Securities of this series are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture

and subject to certain limitations therein set forth, Debt Securities of this series are exchangeable in whole or in part for a like aggregate principal amount of Debt Securities of this series and of like tenor and terms of a different authorized denomination, as requested by the Holder surrendering the same.

As provided in the Indenture and subject to certain limitations therein set forth, no service charge shall be made for any such registration of transfer of Debt Securities, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

Prior to due presentation for registration of transfer of this Debt Security, the Issuer, the Trustee, any paying agent or any Registrar may deem and treat the Person in whose name this Debt Security is registered as the absolute owner hereof for all purposes, whether or not this Debt Security shall be overdue, and none of the Issuer, the Trustee, any paying agent or any Registrar shall be affected by notice to the contrary.

An incorporator or any past, present or future director, officer, employee, controlling Person or stockholder, as such, of the Issuer or any successor shall not have any liability for any obligations of the Issuer under this Debt Security or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting this Debt Security, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of this Debt Security.

In the case of any conflict between the provisions of this Debt Security and the Indenture, the provisions of the Indenture shall control.

All terms used in this Debt Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

ARTICLE II

THE NOTES

SECTION 2.01 Title and Terms.

There are hereby created under the Indenture a series of Debt Securities known and designated as the "2.350% Senior Notes due 2032" of the Company. The aggregate principal amount of Notes that may be authenticated and delivered under this Third Supplemental Indenture is initially limited to \$500,000,000, except for Notes authenticated and delivered upon reregistration of, transfer of, or in exchange for, or in lieu of, other Notes pursuant to Sections 2.07, 2.08, 2.09 or 9.04 of the Indenture.

The Company may without notice to or the consent of the Holders of the Notes, issue in separate offerings additional notes having the same ranking, interest rate, maturity and other terms as the Notes (other than the date of issuance and, under certain circumstances, the first interest payment date following the issue date of such additional notes). Any such additional notes, together with the Notes, will form a single series of Debt Securities under the Indenture.

The Stated Maturity shall be January 15, 2032 for payment of principal of the Notes. The Notes shall bear interest at the rate of 2.350% per annum, from September 23, 2021 or the most recent interest payment date to which interest has been paid or duly provided for, payable semi-annually in arrears on January 15 and July 15 of each year (commencing July 15, 2022), to the Persons in whose names the Notes are registered at the close of business on January 1 or July 1, as the case may be, next preceding such interest payment date, until principal thereof is paid or made available for payment.

The Notes shall be initially issued in the form of one or more Global Securities and the depositary for the Notes shall be The Depository Trust Company, New York, New York.

The Notes shall not be subject to any sinking fund.

The Notes shall be in registered form without coupons and shall be issuable in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The form of the Notes attached hereto as Exhibit A is hereby adopted, pursuant to Section 9.01(j) of the Indenture, as the form of Debt Securities that consist of the Notes.

SECTION 2.02 Optional Redemption.

(a) The provisions of Article III of the Indenture, as amended by the provisions of this Third Supplemental Indenture, shall apply to the Notes.

(b) The Notes are subject to redemption upon notice mailed or sent at least 10 days but not more than 60 days prior to the redemption date to each Registered Holder. On or after October 15, 2031 (the "Par Call Date"), the Notes will be redeemable, as a whole or from time to time in part, at the option of the Company at any time, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, thereon to (but excluding) the date of the redemption. Prior to the Par Call Date, the Notes may be redeemed, at any time as a whole or from time to time in part, at the option of the Company, at a redemption price equal to the greater of:

(i) 100% of the principal amount of the Notes to be redeemed; and

(ii) the sum of the present values of the Remaining Scheduled Payments thereon that would be due if the Notes matured on the Par Call Date, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points,

plus, in either case, accrued and unpaid interest, if any, on the principal amount being redeemed to (but excluding) the date of redemption.

If the Company redeems less than all the Notes, the Trustee shall select the Notes to be redeemed, in the case of the Notes in the form of a Global Security, in accordance with the Depository's Applicable Procedures, and in the case of any Notes in definitive form, by such method as the Trustee shall select, in such manner as in its sole discretion it shall deem appropriate and fair. The Trustee may select for partial redemption Notes and portions of Notes in amounts equal to \$2,000 or any integral multiple of \$1,000 in excess thereof.

Unless the Company defaults in payment of the redemption price, on and after the applicable redemption date, interest will cease to accrue on the Notes or portions thereof called for redemption.

SECTION 2.03 Purchase upon a Change of Control Triggering Event.

(a) Upon the occurrence of a Change of Control Triggering Event, unless the Company has exercised its right to redeem the Notes in full by giving irrevocable notice to the Trustee in accordance with the Indenture, each Holder of the Notes will have the right to require the Company to purchase all or a portion (equal to \$2,000 or whole multiples of \$1,000 in excess thereof) of such Holder's Notes pursuant to the offer described below (the "Change of Control Offer") at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to (but excluding) the date of purchase (the "Change of Control Payment"), subject to the rights of Holders of the Notes on the relevant record date to receive interest due on the relevant interest payment date. If the Change of Control Payment Date (as defined below) falls on a day that is not a Business Day, the related payment of the Change of Control Payment will be made on the next Business Day as if it were made on the date such payment was due, and no interest will accrue on the amounts so payable for the period from and after such date to the next Business Day.

(b) Unless the Company has exercised its right to redeem such Notes, within 30 days following the date upon which the Change of Control Triggering Event occurred or, at the Company's option, prior to any Change of Control but after the public announcement of the pending Change of Control, the Company will be required to send, by first class mail (or with respect to any Global Security, to the extent permitted or required by the Depository's Applicable Procedures, send electronically) a notice to each Holder of such Notes, with a copy to the Trustee, which notice will govern the terms of the Change of Control Offer. The notice will state, among other things, the purchase date, which, other than as may be required by applicable law, must be no earlier than 10 days nor later than 60 days after the date the notice is mailed or sent (or, in the case of a notice mailed or sent prior to the date of consummation of a Change of Control, no earlier than the date of the occurrence of the Change of Control), other than as may be required by law (the "Change of Control Payment Date"). The notice, if mailed or sent prior to the date of consummation of the Change of Control, will state that the Change of Control Offer is conditioned on the Change of Control being consummated on or prior to the Change of Control Payment Date.

(c) On the Change of Control Payment Date, the Company will, to the extent lawful:

(i) accept or cause a third party to accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(ii) deposit or cause a third party to deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate or statement signed by an Officer of the Company, which need not constitute an Officers' Certificate, stating the aggregate principal amount of Notes or portions of Notes being purchased.

(d) The Company will not be required to make a Change of Control Offer with respect to the Notes if (i) a third party makes such an offer in the manner, at the times and otherwise in compliance with

the requirements for such an offer made by the Company and such third party purchases all the Notes properly tendered and not withdrawn under its offer, (ii) a notice of redemption has been given to the Holders of all of the Notes in accordance with the terms of the Indenture, unless and until there is a default in payment of the redemption price, or (iii) in connection with or in contemplation of any Change of Control, the Company has made an offer to purchase (an “Alternate Offer”) any and all Notes validly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Notes properly tendered in accordance with the terms of such Alternate Offer.

(e) The Company will comply in all material respects with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the purchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of the Notes or the Indenture, the Company will comply with those securities laws and regulations and will not be deemed to have breached its obligations under this Section 2.03 by virtue of any such conflict.

SECTION 2.04 Limitation on Liens.

Except as provided below, the Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or permit to exist any indebtedness for borrowed money (“Indebtedness”) secured by a Lien on any Principal Property or any shares of stock of or any Indebtedness of any Restricted Subsidiary, whether owned on the date of issuance of the Notes or thereafter acquired, unless the Company substantially contemporaneously secures the Notes equally and ratably with (or prior to) such Indebtedness until such time as such Indebtedness is no longer secured by a Lien on any Principal Property or any shares of stock of or any Indebtedness of any Restricted Subsidiary, except that the foregoing restrictions shall not apply to Indebtedness secured by:

1. Liens on any property, shares of stock or Indebtedness of any Person existing at the time such Person becomes a Restricted Subsidiary;

10. For purposes of the foregoing, the Blattner Acquisition will be deemed consummated if the closing under the Merger Agreement occurs, including after giving effect to any amendments to the Merger Agreement or waivers thereunder acceptable to the Company.

Upon the consummation of the Blattner Acquisition, this Section 2.06 shall cease to apply.

ARTICLE III

SECTION 3.01 Events of Default. Article VI of the Indenture is hereby amended, subject to Section 1.07 hereof and with respect to the Notes only, by deleting Section 6.01 of the Indenture and replacing such Section 6.01 with the following:

If any one or more of the following shall have occurred and be continuing with respect to the Notes (each of the following, an “Event of Default”):

(a) default in the payment of any installment of interest upon the Notes as and when the same shall become due and payable, and continuance of such default for a period of 30 days;

(b) default in the payment of the principal of or premium, if any, on the Notes as and when the same shall become due and payable, whether at maturity, upon redemption, by declaration, upon required purchase or otherwise;

(c) default in the payment of any sinking fund payment with respect to the Notes as and when the same shall become due and payable and continuance of such default for a period of 30 days;

(d) failure on the part of the Company to comply with any of the covenants or agreements on the part of the Company in this Third Supplemental Indenture and the Indenture for the benefit of the Notes (other than a covenant a default in the performance of which is otherwise specifically dealt with), continuing for a period of 90 days after the date on which written notice specifying such failure and requiring the Company to remedy the same shall have been given, by registered or certified mail or overnight courier guaranteeing next day delivery, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Notes at the time Outstanding;

(e) indebtedness for money borrowed of the Company or any Restricted Subsidiary of the Company is not paid within any applicable grace period after final maturity or is accelerated prior to its stated final maturity by the holders thereof because of a default, the total principal amount of such indebtedness unpaid or accelerated exceeds \$150.0 million or the United States dollar equivalent thereof at the time and such default remains uncured or such acceleration is not rescinded or annulled for 30 days after the date on which written notice specifying such failure and requiring the Company to remedy the same has been given, by registered or certified mail or by overnight courier guaranteeing next day delivery, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Notes at the time Outstanding;

(f) the Company or any of its Restricted Subsidiaries shall (i) voluntarily commence any proceeding or file any petition seeking relief under Title 11 of the United States Code or any other Federal or State bankruptcy, insolvency or similar law, (ii) consent to the institution of, or fail to controvert within the time and in the manner prescribed by law, any such proceeding or the filing of any such petition, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator or similar official for the Company or any such Restricted Subsidiary or for a substantial part of its property, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors, (vi) admit in writing its inability or fail generally to pay its debts as they become due or (vii) take any comparable action under any foreign laws relating to insolvency; and

(g) the entry of an order or decree by a court having competent jurisdiction for (i) relief in respect of the Company or any of its Restricted Subsidiaries or a substantial part of any of their property under Title 11 of the United States Code or any other Federal or State bankruptcy, insolvency or similar law, (ii) the appointment of a receiver, trustee, custodian, sequestrator or similar official for the Company or for any such Restricted Subsidiary or for a substantial part of its property or any of their property (except any decree or order appointing such official of such Restricted Subsidiary pursuant to a plan under which the assets and operations of such Restricted Subsidiary are transferred to or combined with another one or more other Restricted Subsidiaries or Subsidiaries or to or with the Company) or (iii) the winding-up or liquidation of the Company or any such Restricted Subsidiary (except any decree or order approving or ordering the winding-up or liquidation of the affairs of a Restricted Subsidiary pursuant to a plan under which the assets and operations of such Restricted Subsidiary are transferred to or combined with one or more other Restricted Subsidiaries or Subsidiaries or to or with the Company), and such order or decree continues unstayed and in effect for 90 consecutive days, or any similar relief is granted under any foreign laws and the order or decree stays in effect for 90 consecutive days;

then and in each and every case that an Event of Default described in clause (a), (b), (c), (d) or (e) with respect to Notes at the time Outstanding occurs and is continuing, unless the principal of and interest on all the Notes shall have already become due and payable, either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by Holders), may declare the principal of and interest on all the Notes to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Third Supplemental Indenture, the Indenture or in the Notes contained to the contrary notwithstanding. If an Event of Default described in clause (f) or (g) occurs, then and in each and every such case, unless the principal of and interest on all Notes shall have become due and payable, the principal of and interest on all the Notes then Outstanding hereunder shall IPSO FACTO become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders, anything in this Third Supplemental Indenture, the Indenture or in the Notes contained to the contrary notwithstanding.

The Holders of a majority in principal amount of the Notes by notice to the Trustee may rescind an acceleration (including acceleration as specified in clause (e) and (f)) and its consequences if the rescission would not conflict with any judgment or decree already rendered and if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of acceleration and the Company has paid the Trustee its compensation and all sums paid or advanced by the Trustee hereunder and the reasonable and documented out-of-pocket compensation, expenses, disbursements and advances of the Trustee, its agents and counsel. Upon any such rescission, the parties hereto shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the parties hereto shall continue as though no proceeding had been taken. In case the Trustee or any Holder shall have proceeded to enforce any right under this Third Supplemental Indenture or the Indenture for the benefit of the Notes and such proceedings shall have been discontinued or abandoned because of such rescission or annulment or for any other reason or shall have been determined adversely to the Trustee or such Holder, then and in every such case the parties hereto shall be restored respectively to their several positions and rights hereunder and all rights, remedies and powers of the parties hereto shall continue as though no such proceeding had been taken.

The foregoing Events of Default shall constitute Events of Default whatever the reason for any such Event of Default and whether is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

This is one of the Debt Securities of the series designated therein referred to in the within-mentioned Indenture.

Authorized Signatory

[REVERSE OF GLOBAL NOTE]

This Debt Security is one of a duly authorized issue of securities of the Issuer (herein called the “Debt Securities”), issued and to be issued in one or more series under an Indenture, dated as of September 22, 2020 (the “Base Indenture”) as supplemented by the Third Supplemental Indenture, dated as of September 23, 2021 (the “Third Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), between the Issuer and U.S. Bank National Association, as trustee (herein called the “Trustee”), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Trustee and the Registered Holders of the Debt Securities and of the terms upon which the Debt Securities are, and are to be, authenticated and delivered. This Debt Security is one of the series designated on the face hereof.

This Debt Security is subject to redemption upon notice mailed or sent at least 10 days but not more than 60 days prior to the redemption date to each Registered Holder. On or after October 15, 2031 (the “Par Call Date”), this Debt Security will be redeemable, as a whole or from time to time in part, at the option of the Issuer at any time, at a redemption price equal to 100% of the principal amount to be redeemed, plus accrued and unpaid interest, if any, thereon to (but excluding) the date of the redemption. Prior to the Par Call Date, this Debt Security may be redeemed, at any time as a whole or from time to time in part, at the option of the Issuer, at a redemption price equal to the greater of (a) 100% of the principal amount to be redeemed and (b) the sum of the present values of the Remaining Scheduled Payments (as defined in the Third Supplemental Indenture) thereon that would be due if the Debt Security matured on the Par Call Date, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points, plus, in either case, accrued and unpaid interest, if any, on the principal amount being redeemed to (but excluding) the date of redemption. Unless the Issuer defaults in payment of the redemption price, on and after the applicable redemption date, interest will cease to accrue on the Debt Securities or portions thereof called for redemption.

In the event that (x) the Blattner Acquisition is not consummated on or prior to June 30, 2022 or (y) the Merger Agreement is terminated without the Blattner Acquisition being consummated (any such event being a “Special Mandatory Redemption Event”), the Company shall redeem all of this Debt Security, at a price equal to 101% of the aggregate principal amount thereof then Outstanding, plus accrued and unpaid interest thereon, if any, to (but excluding) the redemption date. For purposes of the foregoing, the Blattner Acquisition will be deemed consummated if the closing under the Merger Agreement occurs, including after giving effect to any amendments to the Merger Agreement or waivers thereunder acceptable to the Company. Such redemption shall be in accordance with Section 2.06 of the Third Supplemental Indenture.

Upon the occurrence of a Change of Control Triggering Event with respect to this Debt Security, unless the Issuer has exercised its right to redeem this Debt Security in full as set forth in Section 2.03 of the Third Supplemental Indenture, by giving irrevocable notice to the Trustee in accordance with the Indenture, each Holder of this Debt Security will have the right to require the Issuer to purchase all or a portion (equal to \$2,000 or whole multiples of \$1,000 in excess thereof) of such Holder’s Debt Security pursuant to a Change of Control Offer, at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to (but excluding) the date of purchase (the “Change of Control Payment”), subject to the rights of Holders of this Debt Security on the relevant record date to receive interest due on the relevant interest payment date.

Unless the Issuer has exercised its right to redeem this Debt Security, within 30 days following the date upon which the Change of Control Triggering Event occurred with respect to this Debt Security or, at the Issuer’s option, prior to any Change of Control but after the public announcement of the pending

Change of Control, the Issuer will be required to send by first class mail or, to the extent permitted or required by the Depository's Applicable Procedures, send electronically, a notice to each Holder of this Debt Security, with a copy to the Trustee, which notice will govern the terms of the Change of Control Offer. The notice will state, among other things, the purchase date, which, other than as may be required by applicable law, must be no earlier than 10 days nor later than 60 days after the date the notice is mailed or sent (or, in the case of a notice mailed or sent prior to the date of consummation of a Change of Control, no earlier than the date of the occurrence of the Change of Control), other than as may be required by law (the "Change of Control Payment Date"). The notice, if mailed or sent prior to the date of consummation of the Change of Control, will state that the Change of Control Offer is conditioned on the Change of Control being consummated on or prior to the Change of Control Payment Date.

On the Change of Control Payment Date, the Issuer will, to the extent lawful:

- (i) accept or cause a third party to accept for payment all Debt Securities of this series or portions of Debt Securities of this series properly tendered pursuant to the Change of Control Offer;
- (ii) deposit or cause a third party to deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Debt Securities of this series or portions of Debt Securities of this series properly tendered; and
- (iii) deliver or cause to be delivered to the Trustee the Debt Securities of this series properly accepted together with an Officers' Certificate or statement signed by an Officer of the Company, which need not constitute an Officers' Certificate, stating the aggregate principal amount of Debt Securities of this series or portions of Debt Securities of this series being purchased.

The Issuer will not be required to make a Change of Control Offer with respect to this Debt Security if (x) a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for such an offer made by the Issuer and such third party purchases all the Debt Securities of this series properly tendered and not withdrawn under its offer, (y) a notice of redemption has been given to the Holders of all of the Debt Securities of this series in accordance with the terms of the Indenture, unless and until there is a default in payment of the redemption price, or (z) in connection with or in contemplation of any Change of Control, the Issuer has made an offer to purchase (an "Alternate Offer") any and all Debt Securities of this series validly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Debt Securities of this series properly tendered in accordance with the terms of such Alternate Offer.

The Issuer will comply in all material respects with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the purchase of this Debt Security as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of this Debt Security or the Indenture, the Issuer will comply with those securities laws and regulations and will not be deemed to have breached its obligations under Section 2.03 of the Third Supplemental Indenture by virtue of any such conflict.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Debt Security or certain restrictive covenants and Events of Default with respect to this Debt Security, in each case upon compliance with certain conditions set forth in the Indenture. Such provisions shall be applicable to this Debt Security.

If an Event of Default with respect to this Debt Security shall occur and be continuing, the principal of and interest on this Debt Security may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, without notice to any Holder but with the consent of Holders of not less than a majority in aggregate principal amount of the Outstanding Debt Securities of each series affected by such supplemental indenture, the Issuer and the Trustee at any time to enter into an indenture or supplemental indenture for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture or of modifying in any manner the rights of the Holders of the Debt Securities of such series. The Indenture also permits, with certain exceptions as therein provided, prior to the acceleration of the maturity of the Debt Securities of any series, the Holders of specified percentages in aggregate principal amount of the Debt Securities of that series at the time Outstanding may on behalf of the Holders of all the Debt Securities of that series waive any past Default or Event of Default and its consequences for that series specified in the terms thereof. Any such consent or waiver by the Holder of this Debt Security shall be conclusive and binding upon such Holder and upon all future Holders of this Debt Security and of any Debt Security issued upon the registration of transfer hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Debt Security.

As provided in and subject to the provisions of the Indenture, the Holder of this Debt Security shall not have the right to institute any action or proceeding at law or in equity or in bankruptcy or otherwise, upon or under or with respect to the Indenture, or for the appointment of a receiver or trustee, or for any other remedy thereunder, unless such Holder previously shall have given to the Trustee written notice of an Event of Default with respect to the Debt Securities of this series and of the continuance thereof and unless the Holders of not less than 25% in aggregate principal amount of the Outstanding Debt Securities of this series shall have made written request upon the Trustee to institute such action or proceedings in respect of such Event of Default in its own name as Trustee thereunder and shall have offered to the Trustee such security or indemnity as it may require against the costs, expenses and liabilities to be Incurred therein or thereby, and the Trustee, for 60 days after its receipt of such notice, request and offer of security or indemnity shall have failed to institute any such action or proceedings and no direction inconsistent with such written request shall have been given to the Trustee by the Holders of a majority in aggregate principal amount of the Debt Securities of this series at the time Outstanding. The foregoing shall not apply to any suit instituted by the Holder of this Debt Security for the enforcement of any payment of principal hereof or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Debt Security or of the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of and interest on this Debt Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Debt Security is registrable in the Debt Security Register, upon surrender of this Debt Security for registration of transfer at the office or agency of the Issuer in any Place of Payment, duly endorsed or accompanied by a written instrument or instruments of transfer, in form satisfactory to the Issuer, the Trustee and the Registrar duly executed by the Registered Holder or the Registered Holder's attorney duly authorized in writing, and thereupon the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Debt Security or Debt Securities of authorized denominations for a like aggregate principal amount.

The Debt Securities of this series are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture

and subject to certain limitations therein set forth, Debt Securities of this series are exchangeable in whole or in part for a like aggregate principal amount of Debt Securities of this series and of like tenor and terms of a different authorized denomination, as requested by the Holder surrendering the same.

As provided in the Indenture and subject to certain limitations therein set forth, no service charge shall be made for any such registration of transfer of Debt Securities, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

Prior to due presentation for registration of transfer of this Debt Security, the Issuer, the Trustee, any paying agent or any Registrar may deem and treat the Person in whose name this Debt Security is registered as the absolute owner hereof for all purposes, whether or not this Debt Security shall be overdue, and none of the Issuer, the Trustee, any paying agent or any Registrar shall be affected by notice to the contrary.

An incorporator or any past, present or future director, officer, employee, controlling Person or stockholder, as such, of the Issuer or any successor shall not have any liability for any obligations of the Issuer under this Debt Security or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting this Debt Security, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of this Debt Security.

In the case of any conflict between the provisions of this Debt Security and the Indenture, the provisions of the Indenture shall control.

All terms used in this Debt Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

ARTICLE II

THE NOTES

SECTION 2.01 Title and Terms.

There are hereby created under the Indenture a series of Debt Securities known and designated as the "3.050% Senior Notes due 2041" of the Company. The aggregate principal amount of Notes that may be authenticated and delivered under this Fourth Supplemental Indenture is initially limited to \$500,000,000, except for Notes authenticated and delivered upon reregistration of, transfer of, or in exchange for, or in lieu of, other Notes pursuant to Sections 2.07, 2.08, 2.09 or 9.04 of the Indenture.

The Company may without notice to or the consent of the Holders of the Notes, issue in separate offerings additional notes having the same ranking, interest rate, maturity and other terms as the Notes (other than the date of issuance and, under certain circumstances, the first interest payment date following the issue date of such additional notes). Any such additional notes, together with the Notes, will form a single series of Debt Securities under the Indenture.

The Stated Maturity shall be October 1, 2041 for payment of principal of the Notes. The Notes shall bear interest at the rate of 3.050% per annum, from September 23, 2021 or the most recent interest payment date to which interest has been paid or duly provided for, payable semi-annually in arrears on April 1 and October 1 of each year (commencing April 1, 2022), to the Persons in whose names the Notes are registered at the close of business on March 15 or September 15, as the case may be, next preceding such interest payment date, until principal thereof is paid or made available for payment.

The Notes shall be initially issued in the form of one or more Global Securities and the depositary for the Notes shall be The Depository Trust Company, New York, New York.

The Notes shall not be subject to any sinking fund.

The Notes shall be in registered form without coupons and shall be issuable in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The form of the Notes attached hereto as Exhibit A is hereby adopted, pursuant to Section 9.01(j) of the Indenture, as the form of Debt Securities that consist of the Notes.

SECTION 2.02 Optional Redemption.

(a) The provisions of Article III of the Indenture, as amended by the provisions of this Fourth Supplemental Indenture, shall apply to the Notes.

(b) The Notes are subject to redemption upon notice mailed or sent at least 10 days but not more than 60 days prior to the redemption date to each Registered Holder. On or after April 1, 2041 (the "Par Call Date"), the Notes will be redeemable, as a whole or from time to time in part, at the option of the Company at any time, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, thereon to (but excluding) the date of the redemption. Prior to the Par Call Date, the Notes may be redeemed, at any time as a whole or from time to time in part, at the option of the Company, at a redemption price equal to the greater of:

(i) 100% of the principal amount of the Notes to be redeemed; and

(ii) the sum of the present values of the Remaining Scheduled Payments thereon that would be due if the Notes matured on the Par Call Date, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points,

plus, in either case, accrued and unpaid interest, if any, on the principal amount being redeemed to (but excluding) the date of redemption.

If the Company redeems less than all the Notes, the Trustee shall select the Notes to be redeemed, in the case of the Notes in the form of a Global Security, in accordance with the Depository's Applicable Procedures, and in the case of any Notes in definitive form, by such method as the Trustee shall select, in such manner as in its sole discretion it shall deem appropriate and fair. The Trustee may select for partial redemption Notes and portions of Notes in amounts equal to \$2,000 or any integral multiple of \$1,000 in excess thereof.

Unless the Company defaults in payment of the redemption price, on and after the applicable redemption date, interest will cease to accrue on the Notes or portions thereof called for redemption.

SECTION 2.03 Purchase upon a Change of Control Triggering Event.

(a) Upon the occurrence of a Change of Control Triggering Event, unless the Company has exercised its right to redeem the Notes in full by giving irrevocable notice to the Trustee in accordance with the Indenture, each Holder of the Notes will have the right to require the Company to purchase all or a portion (equal to \$2,000 or whole multiples of \$1,000 in excess thereof) of such Holder's Notes pursuant to the offer described below (the "Change of Control Offer") at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to (but excluding) the date of purchase (the "Change of Control Payment"), subject to the rights of Holders of the Notes on the relevant record date to receive interest due on the relevant interest payment date. If the Change of Control Payment Date (as defined below) falls on a day that is not a Business Day, the related payment of the Change of Control Payment will be made on the next Business Day as if it were made on the date such payment was due, and no interest will accrue on the amounts so payable for the period from and after such date to the next Business Day.

(b) Unless the Company has exercised its right to redeem such Notes, within 30 days following the date upon which the Change of Control Triggering Event occurred or, at the Company's option, prior to any Change of Control but after the public announcement of the pending Change of Control, the Company will be required to send, by first class mail (or with respect to any Global Security, to the extent permitted or required by the Depository's Applicable Procedures, send electronically) a notice to each Holder of such Notes, with a copy to the Trustee, which notice will govern the terms of the Change of Control Offer. The notice will state, among other things, the purchase date, which, other than as may be required by applicable law, must be no earlier than 10 days nor later than 60 days after the date the notice is mailed or sent (or, in the case of a notice mailed or sent prior to the date of consummation of a Change of Control, no earlier than the date of the occurrence of the Change of Control), other than as may be required by law (the "Change of Control Payment Date"). The notice, if mailed or sent prior to the date of consummation of the Change of Control, will state that the Change of Control Offer is conditioned on the Change of Control being consummated on or prior to the Change of Control Payment Date.

(c) On the Change of Control Payment Date, the Company will, to the extent lawful:

(i) accept or cause a third party to accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(ii) deposit or cause a third party to deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate or statement signed by an Officer of the Company, which need not constitute an Officers' Certificate, stating the aggregate principal amount of Notes or portions of Notes being purchased.

(d) The Company will not be required to make a Change of Control Offer with respect to the Notes if (i) a third party makes such an offer in the manner, at the times and otherwise in compliance with

the requirements for such an offer made by the Company and such third party purchases all the Notes properly tendered and not withdrawn under its offer, (ii) a notice of redemption has been given to the Holders of all of the Notes in accordance with the terms of the Indenture, unless and until there is a default in payment of the redemption price, or (iii) in connection with or in contemplation of any Change of Control, the Company has made an offer to purchase (an “Alternate Offer”) any and all Notes validly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Notes properly tendered in accordance with the terms of such Alternate Offer.

(e) The Company will comply in all material respects with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the purchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of the Notes or the Indenture, the Company will comply with those securities laws and regulations and will not be deemed to have breached its obligations under this Section 2.03 by virtue of any such conflict.

(f) the Company or any of its Restricted Subsidiaries shall (i) voluntarily commence any proceeding or file any petition seeking relief under Title 11 of the United States Code or any other Federal or State bankruptcy, insolvency or similar law, (ii) consent to the institution of, or fail to controvert within the time and in the manner prescribed by law, any such proceeding or the filing of any such petition, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator or similar official for the Company or any such Restricted Subsidiary or for a substantial part of its property, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors, (vi) admit in writing its inability or fail generally to pay its debts as they become due or (vii) take any comparable action under any foreign laws relating to insolvency; and

(g) the entry of an order or decree by a court having competent jurisdiction for (i) relief in respect of the Company or any of its Restricted Subsidiaries or a substantial part of any of their property under Title 11 of the United States Code or any other Federal or State bankruptcy, insolvency or similar law, (ii) the appointment of a receiver, trustee, custodian, sequestrator or similar official for the Company or for any such Restricted Subsidiary or for a substantial part of its property or any of their property (except any decree or order appointing such official of such Restricted Subsidiary pursuant to a plan under which the assets and operations of such Restricted Subsidiary are transferred to or combined with another one or more other Restricted Subsidiaries or Subsidiaries or to or with the Company) or (iii) the winding-up or liquidation of the Company or any such Restricted Subsidiary (except any decree or order approving or ordering the winding-up or liquidation of the affairs of a Restricted Subsidiary pursuant to a plan under which the assets and operations of such Restricted Subsidiary are transferred to or combined with one or more other Restricted Subsidiaries or Subsidiaries or to or with the Company), and such order or decree continues unstayed and in effect for 90 consecutive days, or any similar relief is granted under any foreign laws and the order or decree stays in effect for 90 consecutive days;

then and in each and every case that an Event of Default described in clause (a), (b), (c), (d) or (e) with respect to Notes at the time Outstanding occurs and is continuing, unless the principal of and interest on all the Notes shall have already become due and payable, either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by Holders), may declare the principal of and interest on all the Notes to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Fourth Supplemental Indenture, the Indenture or in the Notes contained to the contrary notwithstanding. If an Event of Default described in clause (f) or (g) occurs, then and in each and every such case, unless the principal of and interest on all Notes shall have become due and payable, the principal of and interest on all the Notes then Outstanding hereunder shall IPSO FACTO become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders, anything in this Fourth Supplemental Indenture, the Indenture or in the Notes contained to the contrary notwithstanding.

The Holders of a majority in principal amount of the Notes by notice to the Trustee may rescind an acceleration (including acceleration as specified in clause (e) and (f)) and its consequences if the rescission would not conflict with any judgment or decree already rendered and if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of acceleration and the Company has paid the Trustee its compensation and all sums paid or advanced by the Trustee hereunder and the reasonable and documented out-of-pocket compensation, expenses, disbursements and advances of the Trustee, its agents and counsel. Upon any such rescission, the parties hereto shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the parties hereto shall continue as though no proceeding had been taken. In case the Trustee or any Holder shall have proceeded to enforce any right under this Fourth Supplemental Indenture or the Indenture for the benefit of the Notes and such proceedings shall have been discontinued or abandoned because of such rescission or annulment or for any other reason or shall have been determined adversely to the Trustee or such Holder, then and in every such case the parties hereto shall be restored respectively to their several positions and rights hereunder and all rights, remedies and powers of the parties hereto shall continue as though no such proceeding had been taken.

The foregoing Events of Default shall constitute Events of Default whatever the reason for any such Event of Default and whether is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

[REVERSE OF GLOBAL NOTE]

This Debt Security is one of a duly authorized issue of securities of the Issuer (herein called the “Debt Securities”), issued and to be issued in one or more series under an Indenture, dated as of September 22, 2020 (the “Base Indenture”) as supplemented by the Fourth Supplemental Indenture, dated as of September 23, 2021 (the “Fourth Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), between the Issuer and U.S. Bank National Association, as trustee (herein called the “Trustee”), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Trustee and the Registered Holders of the Debt Securities and of the terms upon which the Debt Securities are, and are to be, authenticated and delivered. This Debt Security is one of the series designated on the face hereof.

This Debt Security is subject to redemption upon notice mailed or sent at least 10 days but not more than 60 days prior to the redemption date to each Registered Holder. On or after April 1, 2041 (the “Par Call Date”), this Debt Security will be redeemable, as a whole or from time to time in part, at the option of the Issuer at any time, at a redemption price equal to 100% of the principal amount to be redeemed, plus accrued and unpaid interest, if any, thereon to (but excluding) the date of the redemption. Prior to the Par Call Date, this Debt Security may be redeemed, at any time as a whole or from time to time in part, at the option of the Issuer, at a redemption price equal to the greater of (a) 100% of the principal amount to be redeemed and (b) the sum of the present values of the Remaining Scheduled Payments (as defined in the Fourth Supplemental Indenture) thereon that would be due if the Debt Security matured on the Par Call Date, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points, plus, in either case, accrued and unpaid interest, if any, on the principal amount being redeemed to (but excluding) the date of redemption. Unless the Issuer defaults in payment of the redemption price, on and after the applicable redemption date, interest will cease to accrue on the Debt Securities or portions thereof called for redemption.

In the event that (x) the Blattner Acquisition is not consummated on or prior to June 30, 2022 or (y) the Merger Agreement is terminated without the Blattner Acquisition being consummated (any such event being a “Special Mandatory Redemption Event”), the Company shall redeem all of this Debt Security, at a price equal to 101% of the aggregate principal amount thereof then Outstanding, plus accrued and unpaid interest thereon, if any, to (but excluding) the redemption date. For purposes of the foregoing, the Blattner Acquisition will be deemed consummated if the closing under the Merger Agreement occurs, including after giving effect to any amendments to the Merger Agreement or waivers thereunder acceptable to the Company. Such redemption shall be in accordance with Section 2.06 of the Fourth Supplemental Indenture.

Upon the occurrence of a Change of Control Triggering Event with respect to this Debt Security, unless the Issuer has exercised its right to redeem this Debt Security in full as set forth in Section 2.03 of the Fourth Supplemental Indenture, by giving irrevocable notice to the Trustee in accordance with the Indenture, each Holder of this Debt Security will have the right to require the Issuer to purchase all or a portion (equal to \$2,000 or whole multiples of \$1,000 in excess thereof) of such Holder’s Debt Security pursuant to a Change of Control Offer, at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to (but excluding) the date of purchase (the “Change of Control Payment”), subject to the rights of Holders of this Debt Security on the relevant record date to receive interest due on the relevant interest payment date.

Unless the Issuer has exercised its right to redeem this Debt Security, within 30 days following the date upon which the Change of Control Triggering Event occurred with respect to this Debt Security or, at the Issuer’s option, prior to any Change of Control but after the public announcement of the pending

Change of Control, the Issuer will be required to send by first class mail or, to the extent permitted or required by the Depository's Applicable Procedures, send electronically, a notice to each Holder of this Debt Security, with a copy to the Trustee, which notice will govern the terms of the Change of Control Offer. The notice will state, among other things, the purchase date, which, other than as may be required by applicable law, must be no earlier than 10 days nor later than 60 days after the date the notice is mailed or sent (or, in the case of a notice mailed or sent prior to the date of consummation of a Change of Control, no earlier than the date of the occurrence of the Change of Control), other than as may be required by law (the "Change of Control Payment Date"). The notice, if mailed or sent prior to the date of consummation of the Change of Control, will state that the Change of Control Offer is conditioned on the Change of Control being consummated on or prior to the Change of Control Payment Date.

On the Change of Control Payment Date, the Issuer will, to the extent lawful:

- (i) accept or cause a third party to accept for payment all Debt Securities of this series or portions of Debt Securities of this series properly tendered pursuant to the Change of Control Offer;
- (ii) deposit or cause a third party to deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Debt Securities of this series or portions of Debt Securities of this series properly tendered; and
- (iii) deliver or cause to be delivered to the Trustee the Debt Securities of this series properly accepted together with an Officers' Certificate or statement signed by an Officer of the Company, which need not constitute an Officers' Certificate, stating the aggregate principal amount of Debt Securities of this series or portions of Debt Securities of this series being purchased.

The Issuer will not be required to make a Change of Control Offer with respect to this Debt Security if (x) a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for such an offer made by the Issuer and such third party purchases all the Debt Securities of this series properly tendered and not withdrawn under its offer, (y) a notice of redemption has been given to the Holders of all of the Debt Securities of this series in accordance with the terms of the Indenture, unless and until there is a default in payment of the redemption price, or (z) in connection with or in contemplation of any Change of Control, the Issuer has made an offer to purchase (an "Alternate Offer") any and all Debt Securities of this series validly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Debt Securities of this series properly tendered in accordance with the terms of such Alternate Offer.

The Issuer will comply in all material respects with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the purchase of this Debt Security as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of this Debt Security or the Indenture, the Issuer will comply with those securities laws and regulations and will not be deemed to have breached its obligations under Section 2.03 of the Fourth Supplemental Indenture by virtue of any such conflict.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Debt Security or certain restrictive covenants and Events of Default with respect to this Debt Security, in each case upon compliance with certain conditions set forth in the Indenture. Such provisions shall be applicable to this Debt Security.

If an Event of Default with respect to this Debt Security shall occur and be continuing, the principal of and interest on this Debt Security may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, without notice to any Holder but with the consent of Holders of not less than a majority in aggregate principal amount of the Outstanding Debt Securities of each series affected by such supplemental indenture, the Issuer and the Trustee at any time to enter into an indenture or supplemental indenture for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture or of modifying in any manner the rights of the Holders of the Debt Securities of such series. The Indenture also permits, with certain exceptions as therein provided, prior to the acceleration of the maturity of the Debt Securities of any series, the Holders of specified percentages in aggregate principal amount of the Debt Securities of that series at the time Outstanding may on behalf of the Holders of all the Debt Securities of that series waive any past Default or Event of Default and its consequences for that series specified in the terms thereof. Any such consent or waiver by the Holder of this Debt Security shall be conclusive and binding upon such Holder and upon all future Holders of this Debt Security and of any Debt Security issued upon the registration of transfer hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Debt Security.

As provided in and subject to the provisions of the Indenture, the Holder of this Debt Security shall not have the right to institute any action or proceeding at law or in equity or in bankruptcy or otherwise, upon or under or with respect to the Indenture, or for the appointment of a receiver or trustee, or for any other remedy thereunder, unless such Holder previously shall have given to the Trustee written notice of an Event of Default with respect to the Debt Securities of this series and of the continuance thereof and unless the Holders of not less than 25% in aggregate principal amount of the Outstanding Debt Securities of this series shall have made written request upon the Trustee to institute such action or proceedings in respect of such Event of Default in its own name as Trustee thereunder and shall have offered to the Trustee such security or indemnity as it may require against the costs, expenses and liabilities to be Incurred therein or thereby, and the Trustee, for 60 days after its receipt of such notice, request and offer of security or indemnity shall have failed to institute any such action or proceedings and no direction inconsistent with such written request shall have been given to the Trustee by the Holders of a majority in aggregate principal amount of the Debt Securities of this series at the time Outstanding. The foregoing shall not apply to any suit instituted by the Holder of this Debt Security for the enforcement of any payment of principal hereof or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Debt Security or of the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of and interest on this Debt Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Debt Security is registrable in the Debt Security Register, upon surrender of this Debt Security for registration of transfer at the office or agency of the Issuer in any Place of Payment, duly endorsed or accompanied by a written instrument or instruments of transfer, in form satisfactory to the Issuer, the Trustee and the Registrar duly executed by the Registered Holder or the Registered Holder's attorney duly authorized in writing, and thereupon the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Debt Security or Debt Securities of authorized denominations for a like aggregate principal amount.

The Debt Securities of this series are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture

and subject to certain limitations therein set forth, Debt Securities of this series are exchangeable in whole or in part for a like aggregate principal amount of Debt Securities of this series and of like tenor and terms of a different authorized denomination, as requested by the Holder surrendering the same.

As provided in the Indenture and subject to certain limitations therein set forth, no service charge shall be made for any such registration of transfer of Debt Securities, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

Prior to due presentation for registration of transfer of this Debt Security, the Issuer, the Trustee, any paying agent or any Registrar may deem and treat the Person in whose name this Debt Security is registered as the absolute owner hereof for all purposes, whether or not this Debt Security shall be overdue, and none of the Issuer, the Trustee, any paying agent or any Registrar shall be affected by notice to the contrary.

An incorporator or any past, present or future director, officer, employee, controlling Person or stockholder, as such, of the Issuer or any successor shall not have any liability for any obligations of the Issuer under this Debt Security or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting this Debt Security, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of this Debt Security.

In the case of any conflict between the provisions of this Debt Security and the Indenture, the provisions of the Indenture shall control.

All terms used in this Debt Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

LATHAM & WATKINS^{LLP}

As such counsel, we have examined such matters of fact and questions of law as we have considered appropriate for purposes of this letter. Subject to the foregoing and the other matters set forth herein, it is our opinion that, as of the date hereof, when the applicable Supplemental Indentures have been duly authorized, executed, and delivered by all necessary corporate action of the Company, and when the Notes have been duly authorized, executed, issued, and authenticated in accordance with the terms of the Indenture and in the manner contemplated by the Prospectus and delivered against payment therefor in the circumstances contemplated by that certain underwriting agreement, dated September 9, 2021, by and among the underwriters named therein and the Company, the corresponding Notes will be legally valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.
