## Explanation of Responses:

1. On September 19, 2007, DRHCLH Partnership, L.P. (the "Partnership"), of which David Helwig, a member of the Board of Directors of Quanta Services, Inc. (the "Company"), is a general partner, entered into three variable prepaid forward sales contracts (the "2008 Contract", the "2009 Contract", and the "2010 Contract", collectively, the "Contracts" and each a "Contract"), with UBS Securities LLC (the "Buyer") to sell a portion of the common stock of the Company (the "Common Stock") controlled by Mr. Helwig through the Partnership. Pursuant to each Contract, the Partnership has an obligation to deliver to the Buyer up to 151,403 shares (subject to applicable adjustments) of the Common Stock on the settlement date of the related Contract (September 23, 2008, September 23, 2009, and September 23, 2010, respectively).
2. In exchange for entering into the Contracts, on September 21, 2007, the Partnership received an up-front cash payment from the Buyer in the aggregate equal to approximately \$10,232,797.48 (reflecting payments of \$3,578,337.78 for the 2008 Contract, \$3,405,365.57 for the 2009 Contract, and \$3,249,094.13 for the 2010 Contract) and the right to participate in a portion of any future appreciation of the Common Stock. With respect to each Contract, the Partnership pledged 151,403 shares of Common Stock (the "Pledged Shares") (454,209 shares of Common Stock in the aggregate) to secure its obligations under the related Contract, but retained voting rights in the Pledged Shares (except upon the occurrence of an event of default pursuant to the terms of the pledge agreements).
3. With respect to each Contract, the number of shares of Common Stock required to be delivered to the Buyer on the related settlement date (the "Deliverable Shares"), if the Partnership does not timely elect a cash settlement, will be determined as follows: (A) if the arithmetic mean of the volume-weighted average per share price of the Common Stock on each of the three business days prior to and including the maturity date of the related Contract (the "Settlement Price") is less than or equal to \$26.2635 (the "Downside Price"), the Partnership is required to deliver to the Buyer all of the Pledged Shares relating to the applicable Contract;
4. (B) if the Settlement Price for the applicable Contract is between the Downside Price and \$31.5162, in the case of the 2008 Contract, \$34.1426, in the case of the 2009 Contract, and \$36.7689, in the case of the 2010 Contract (in each case, the applicable "Upper Limit"), the Partnership is required to deliver to the Buyer a number of shares of Common Stock equal to the product of (i) the number of Pledged Shares multiplied by (ii) a fraction with a numerator equal to the Downside Price, and a denominator equal to the Settlement Price for the applicable Contract; and
5. (C) if the Settlement Price for the applicable Contract is greater than or equal to the applicable Upper Limit, the Partnership is required to deliver to the Buyer a number of shares of Common Stock equal to the product of (i) the number of Pledged Shares multiplied by (ii) a fraction with a numerator equal to the sum of (a) the Downside Price and (b) the excess, if any, of the Settlement Price for the applicable Contract over the applicable Upper Limit, and a denominator equal to the Settlement Price for the applicable Contract. The Partnership may, upon written notice delivered to the Buyer at least 30 days prior to the respective settlement date, elect to deliver cash in lieu of the Deliverable Shares in an amount equal to the product of the Settlement Price and the number of Deliverable Shares.
6. In his capacity as a general partner of the Partnership, Mr. David R. Helwig has sole dispositive power over the Common Stock held by the Partnership.
